

Come and join our team at Tualatin Valley Fire and Rescue as a **Fleet Technician**

WHAT FLEET TECHNICIANS DO

The Fleet Technician performs preventative and corrective maintenance services and advanced level repairs to the District's automobiles, light-duty vehicles, heavy-duty apparatus and general equipment.

QUALIFICATIONS

- HS diploma or equivalent. AA degree in automotive and/or diesel technology is preferred.
- Three (3) years of experience as a general mechanic with demonstrated experience in all onboard systems. Five (5) years is preferred.
- Ability to weld and fabricate using mild steel and aluminum materials.
- Thorough knowledge of preventative maintenance standards as outlined by NFPA publication 1911 is preferred.

THE IDEAL CANDIDATE WILL:

- Possess a high level of customer service and high attention to detail.
- Be action oriented and organized.
- Have strong interpersonal skills with the ability to communicate and interact with individuals and groups throughout the District.
- Have the ability to work as part of a team as well as independently.

**Applications will be accepted through
February 23, 2018.**

Apply online at www.tvfr.com

**We are an equal opportunity employer, seeking candidates
from a variety of backgrounds and experiences.**

WHO WE ARE

Tualatin Valley Fire and Rescue is Oregon's largest fire district. We are located in one of the fastest growing regions in the state. Our service area includes the cities of Beaverton, Durham, King City, Newberg, North Plains, Rivergrove, Sherwood, Tigard, Tualatin, West Linn, Wilsonville and unincorporated portions of Clackamas, Multnomah, Washington and Yamhill counties.
