For more detailed course descriptions and information, please visit our website at cafiremech.com
Don't wait to enroll — this class will fill up quickly.

CFM-115 FIRE PUMPS & ACCESSORIES

This course is designed as an entry level course to acquaint students with the principles, theories, installations, applications, and standard inspection practices associated with the maintenance, repairs and operational pump testing requirement for pumping fire apparatus. This course provides a working knowledge of common pump types, various pump drivers and controllers, installation of pump components and related accessories. Practical hands on experience will improve your ability to analyze pump performance and implement correct inspection, repair and maintenance procedures. This class fulfills a partial education requirement for California State Fire Marshals Fire Mechanic Level I certification.

The class is a total of 36 hours, 8 hours each day Monday–Thursday, and 4 hours on Friday, concluding at noon.

Required Materials: Proper PPE (boots, gloves, helmet, eye & hearing protection) and calculator.

Tuition: \$500 Additional \$80 California State Fire Training Testing Fee also required for this class.

Instructor: Chris Belflower

This class is hosted and made possible by

HI-TECH
EMERGENCY VEHICLE SERVICE, INC.

Class Locations:

Monday, Tuesday & Friday class will be held in the ballroom of the Bianchi Community Center located at the corner of 2nd and F streets.

Wednesday & Thursday class will be held at Hi Tech EVS at 444 W Greger Street, Oakdale, CA 95361
